WHY MY INVITATION?

During my career I experienced some life changing people, who initiated transformative events for me.

These changes transformed my personal and professional journeys in ways that were unexpected, exciting, enriching, and wonderful.

From these experiences, I learned:

- Uplifting others uplifts ourselves.
- Purpose and meaning creates happiness.
- Curiosity, courage, and compassion nurture contentment.
- Creating the possible arises from imagining the impossible.

I now want to give back, to positively change the journeys of others, as others positively changed my journeys.

Through this invitation, I want to enable you to grow your enterprise, more calmly, more confidently, more quickly, more profitably, with less risk and less stress.

IS THIS FOR YOU?

If you're ready to grow with confidence, clarity, and support, this is for you!

Influence through **Visualising Your Vivid Vision**

The first steps of your journey are describing your Vision, the “where” you want to travel to, and determining your Mission, the “how” you will arrive at your desired destination.

IF YOU WANT THIS
I'll Help You Achieve It!

*Please ask yourself these Visioning questions,
the more you say yes, the more I can help you!*

Do I want ...

To stay motivated with direction even in uncertain times?

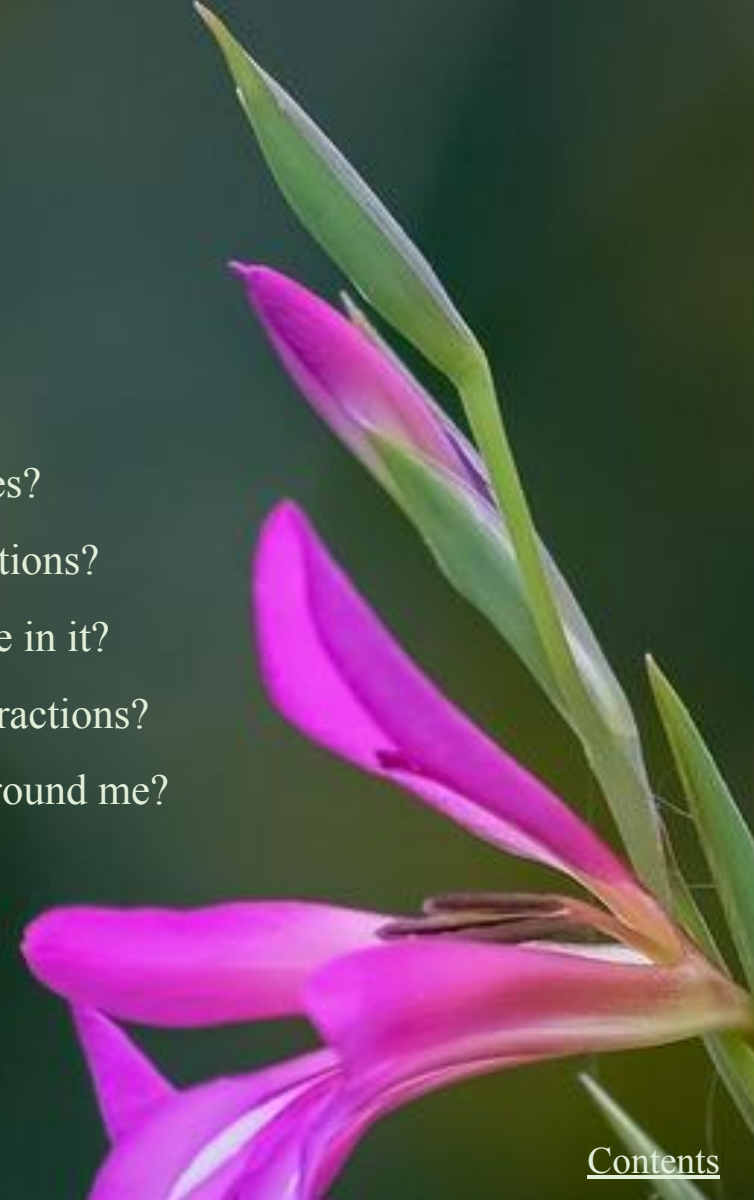

A roadmap that aligns with my values and long-term ambitions?

To clearly articulate my strategic direction so others believe in it?

Tools to prioritize the right opportunities and say “no” to distractions?

A clear and inspiring vision that motivates me and everyone around me?

*Want to create a vivid vision,
so that every decision becomes easier,
and your desired future becomes inevitable?*

VISIONING ESSENCE

Influence through Visualising A Vivid Vision

Live your own future instead of reacting to someone else's future, through discovering your own foundation philosophy and creating your own imagined future.

*Luminosity of vision turns
uncertainty into possibility!*

VISIONING BENEFITS

Imagine, Influence, Realise!

Visualizing a vivid vision ignites performance and resilience due to the direct positive effects on providing direction and priorities, aligning attitudes and activities, inspiring and empowering people, and encouraging a culture of productivity and innovation.

VISIONING LEARNING OUTCOMES

You'll Know

The essential knowledge and skills for visioning and the aspects of visioning which will facilitate visualizing, realizing, and enjoying the future you want.

You'll Have

Discovered, created, and described your own vision, which will be achievable, challenging, clear, concrete, courageous, directional, emotional, engaging, future-focused, goal driven, inspirational, multi-faceted, relevant, self-determining, unique, values-based, vivid!

You'll Be Able To

Utilize your vision to attract, engage, and mobilize, the people, resources, and opportunities, to live your own future, instead of reacting to someone else's future.

You'll Know How To

Influence, share, and rejoice in living your desired future, through being, imagining, thinking, and acting.

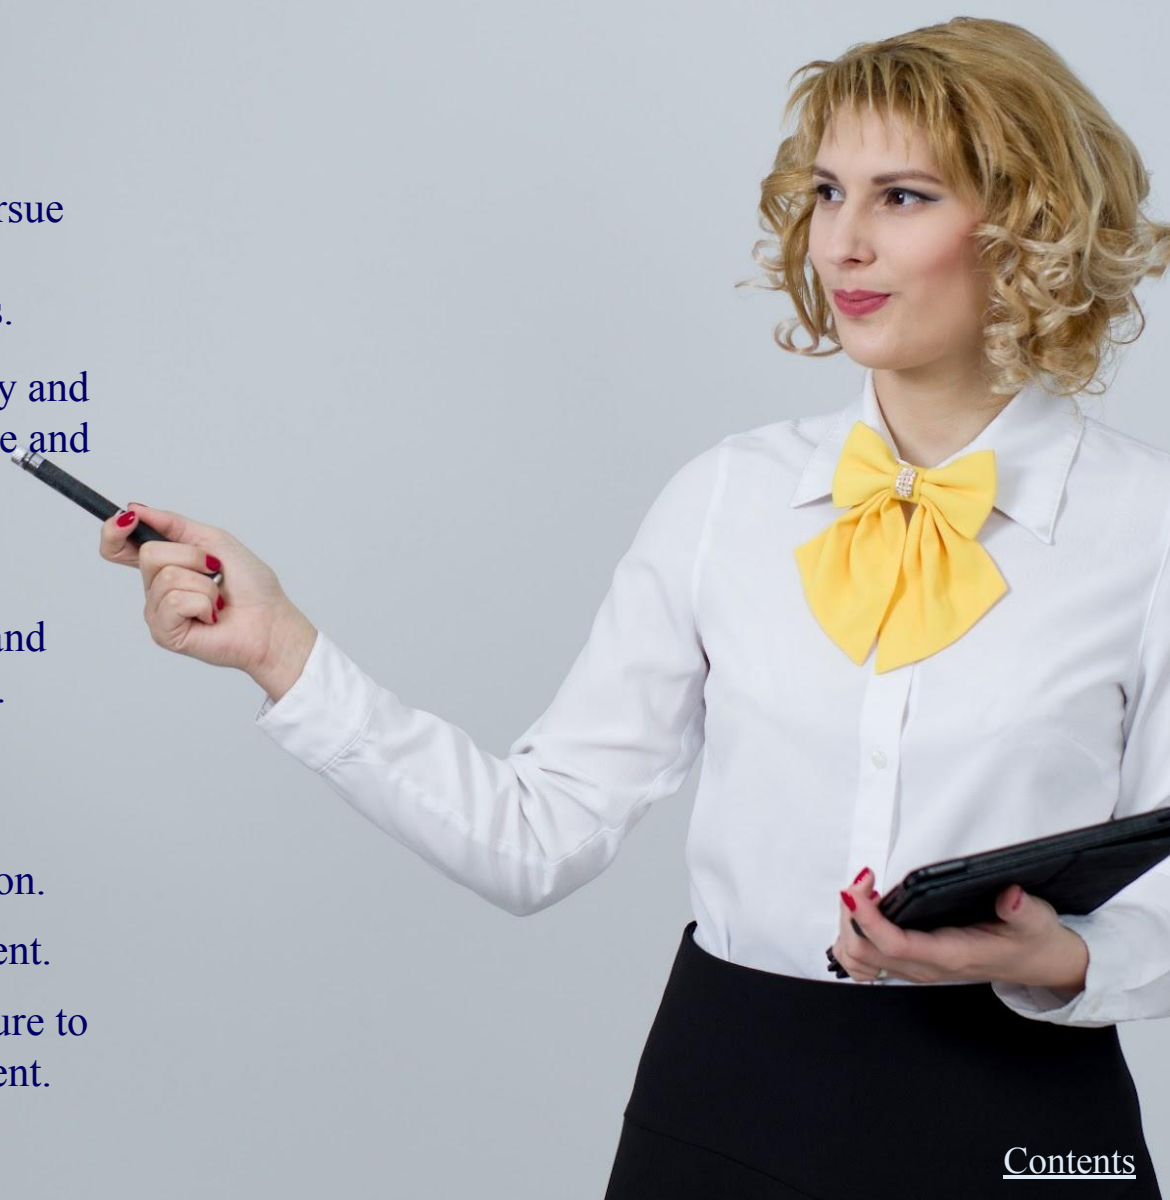

VISIONING COACHING

Empowering you to imagine and pursue your desired future rather than passively adapt to someone else's.

You will strengthen your inner lucidity and leadership mastery, which will activate and align others with your vision.

Coaching areas include:

- **Fine-Tuning** personal ambitions and overcoming any internal barriers.
- **Strengthening** commitment, certainty, and decision-making.
- **Enriching** creativity and innovation.
- **Gaining** alignment and development.
- **Promoting** communication and culture to cultivate motivation and engagement.

VISIONING CONSULTING

Supporting you in defining, refining, and realizing your vision, with clarity, creativity, and coherence.

Consulting areas include:

- **Ascertaining** how relevant, effective, and inspiring your current vision is.
- **Facilitating** the refinement of your current vision or creation of a new vivid vision.
- **Designing** a visual presentation to convey your vision to internal stakeholders.
- **Advising** on how to focus on imagination, thinking, and actions, to realize your vision.
- **Proposing** initiatives to engage internal stakeholders in realizing your vision.
- **Developing** a mission to create the momentum for achieving your vision.

Influence through Projecting Your Powerful Presence

Having created your vivid vision statement, the next step is enhancing how you project the positive presence that attracts others to travel with you to your desired future.

IF YOU WANT THIS
I'll Help You Achieve It!

*Please ask yourself these Presencing questions,
the more you say yes, the more I can help you!*

Do I want to ...

Project a presence that reflects my vision and my values?

Feel confident and authentic as a leader in every situation?

Connect and engage with people quickly and meaningfully?

Stay serene and concentrate even in high-pressure situations?

Strengthen my influence in meetings, negotiations, and networking?

*Want your presence to be your intentional power,
being noticed and attracting people and opportunities,
to open doors you didn't know existed?*

PRESENCING ESSENCE

Influence through Projecting Your Powerful Presence

Attract, influence, and lead people in realizing your desired positive future, through being, expressing, and focusing your mental, emotional, and physical self.

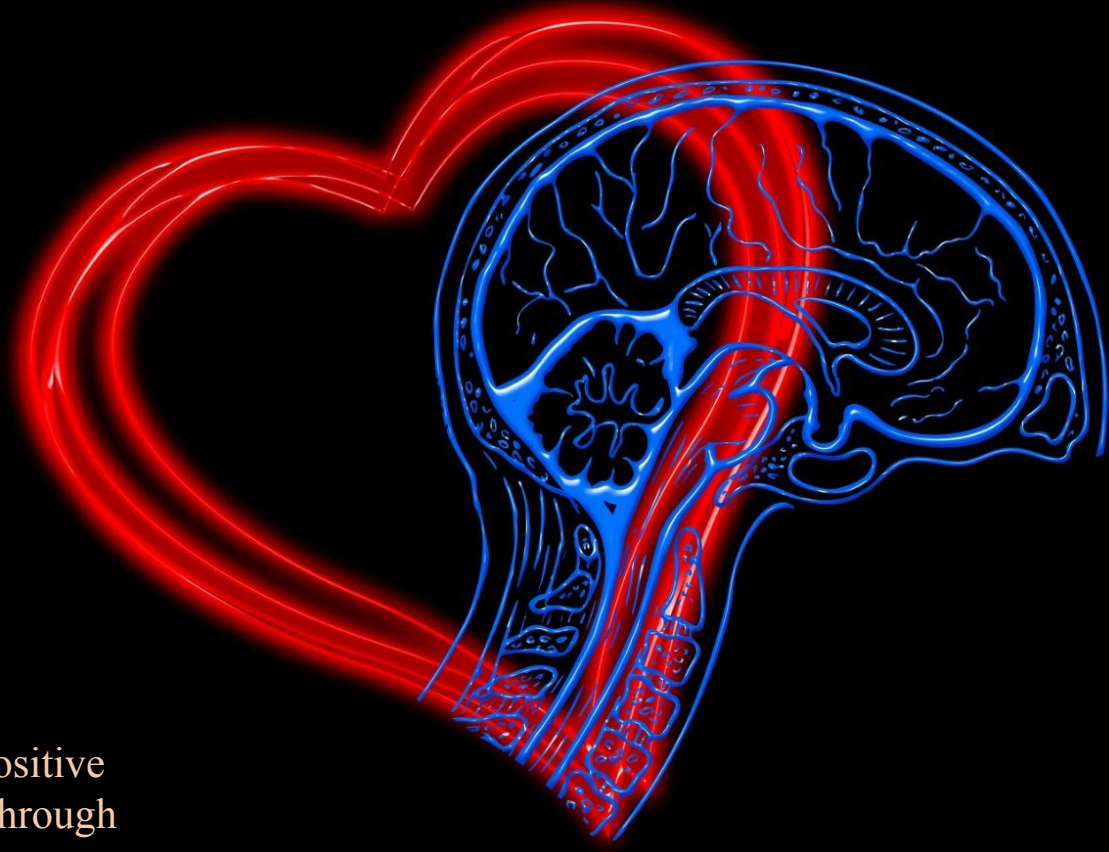

*Before people believe in your vision,
they will believe in you!*

PRESENCING BENEFITS

Attract, Engage, Influence!

Projecting a strong presence has a direct positive effect on attracting and influencing others through a balance of self-mastery and relationship energy, leading to a life of purpose, meaning, and happiness, through realising your personal, professional, organizational, and societal goals.

PRESENCING LEARNING OUTCOMES

You'll Know

The essential knowledge and skills of presencing and the aspects of presencing to utilize which will facilitate your professional and social relations.

You'll Have

Discovered and cultivated the six aspects of your personal presence: Self Presence, Mental Presence, Emotional Presence, Physical Presence, Behavioral Presence, and Social Presence.

You'll Be Able To

Project your own presence and interpret the presence of others, to enhance communication, understanding, and community.

You'll Know How To

Attract, influence, and lead, the people, resources, and opportunities, to live a life of purpose, meaning, and happiness.

PRESENCING COACHING

Assisting you in embodying the presence required to inspire trust, build credibility, and positively influence relational outcomes.

You'll know how to *show up* with clarity, assurance, and consistency, to overcome stress, navigate gendered expectations with grace, and amplify your visibility.

Coaching areas include:

Consulting areas include:

- **Appraising** your use of emotions for understanding, thinking, and reasoning, and your effectiveness in being, acting, and appearing interesting.
- **Assessing** how well you embody being genuine, grounded, and generous, and your focus on the present for future performance.
- **Determining** your proficiency for listening, understanding, communicating, and effectiveness at nurturing relationships via respect, responsiveness, and reciprocity.
- **Strategizing** initiatives to increase your authority, visibility, and voice.

Persuasion through Producing Your Polished Presentations

*Now that your presence attracts attention
and respect in any room,
it's time to master presenting ideas that
inspire new possibilities.*

IF YOU WANT THIS
I'll Help You Achieve It!

*Please ask yourself these Presenting questions,
the more you say yes, the more I can help you!*

Do I want to ...

Leave my audiences excited to say “yes”?

Explain complex ideas simply and memorably?

Deliver presentations that inform, persuade, and inspire audiences?

Be confident pitching to investors, partners, team members, and clients?

Win more, retain more, and grow more profitable business?

*Want every presentation to be an opening
to inspire desired decisions and actions,
through being understood and unforgettable?*

PRESENTING ESSENCE

Persuasion through Producing Polished Presentations

Inform, persuade, and inspire your audiences to an action, belief, decision, or idea, through your story, sensation, and spirit, to retain, win, and grow business.

When presenting you are realizing your self and creating your future!

PRESENTING BENEFITS

Inform, Persuade, Inspire!

Producing polished presentations directly and positively affects the actions, attitudes, beliefs, decisions, ideas, and motivations of audiences, allowing the effective marketing and selling of yourself and your products, services, or solutions, to prospects and clients.
